At The Boars Head, home cooked, quality food is important to us. That is why we use only the freshest ingredients to create our meals. We endeavor to source all our products locally, and always use free-range or British when possible. This reduces the food miles of our ingredients as well as supporting local businesses.

We aim to please at The Boars Head. So if you have any special requirements, please ask a member of staff and we will endeavor to meet them.
